>Product Features

<h3>Reliable transfer speed</h3> <p>Featuring the USB 2.0 interface, Acer UF200 flash drive enjoys a fast transfer speed and read speed of up to 30 MB/s. The UF200 saves time and offers the reliable portability you need to carry or share music, movies, and other files.</p> <p><small>* Tested by our labs. Speed varies according to your computer's capabilities and environment.</small></p>	<h3>Premium controller and ICs</h3> <p>Acer UF200 is built with premium components, including a quality controller and original ICs. By the time you buy your Acer UF200, these components and their UDP packaging have already passed 33 quality tests.</p>	<h3>Durable zinc-alloy design</h3> <p>Made with a molded zinc alloy, the Acer UF200 resists shock and abrasion. A coating of nickel on its surface gives the UF200 a delicate tactility and adds corrosion resistance.</p>	<h3>Wide Compatibility</h3> <p>The UF200 supports computers, tablets, stereo equipment, smart TVs, car audios, and more. A wide compatibility with Windows and Mac operating systems means your flash drive is even more useful.</p>
